

Cancer has impacted so many of our lives. Relay for Life provides us with an opportunity to come together to raise funds to help the American Cancer Society. The theme for our Relay for Life this year is ***There is No Off-Season*** in the fight against Cancer. Please join us for this year's Tip-Off event on **January 21st** as our Girls' and Boys' basketball teams take on Mahwah in a double header. We hope to draw an energetic crowd to cheer on our "Hoops Teams" and begin forming Relay for Life "Hope Teams". The night will kick off with the girls varsity game at 6pm, followed by the boys varsity at 8pm. We will have door prizes, half time activities and food available in the cafeteria. Tickets and event shirt sales will begin on December 16 through Ramsey High School's Main Office. Please email Maria Mitchell at mmitchell@ramsey.k12.nj.us.
