That is in comparison with 2,180 family memberships, 320 out-of-town memberships, and 380 senior memberships, for a total of \$327,000 in 2021. SUB-COMMITTEE REPORTS

Lots of private parties have been scheduled for June. Some people even had to be turned away.

By-Laws-None

Facilities

Mr. Bach shared a major problem. When CFM began their pool opening work, the motor which goes to the main drain was not working. The electrician checked the panel, but electricity was not the problem. A replacement motor was ordered at a cost of \$5,000 and the one which does not work will be sent out to be repaired so there will be a back-up motor on site. The new motor should be delivered by Monday, May 23rd. Because of the problem with the motor, the heater is not working either. This motor issue has necessitated the rescheduling of Shaun Bach's lifesaving classes and one of the inspections. There are three other motors which are working fine.

Swim Team

Registration for the swim team is trending well. There are about seventy swimmers registered; total registration is usually around 110. Home meets will be held on Wednesday nights under the lights after the pool closes, just like 2021.

OLD BUSINESS

Mr. Bach asked Mrs. Hewitt to contact Borough Attorney Scandariato about the issue with a member which is detailed in the August, 2021 minutes.

NEW BUSINESS

The new resident mixer is scheduled for Tuesday, June 14th, at the pool.

The pool office will be open prior to Memorial Day weekend for assistance with pool registrations and the purchase of guest passes.

ADJOURNMENT

Upon motion by Mrs. Suarez, seconded by Mrs. Hoffman, and approved unanimously, the meeting was adjourned at 8:20 p.m.

The next meeting of the Pool Commission will be held at the pool on Wednesday, June 15th, at 8 p.m.
