Please be advised that receiving a waiver of site plan approval from the Planning Board does not, in itself, entitle you to occupy your building. Upon Planning Board approval of this waiver, the following steps must be taken before occupying the site:

1. Where there is no new or change of use, a waiver of site plan approval by the Planning Board and a continued certificate of occupancy shall be required for any change of occupancy in a commercial structure in the B-1, B-2, B-3, I.P. and L.O. Zone Districts, and such waiver of site plan approval and the continued certificate of occupancy shall be obtained prior to such occupancy.
2. A license must be obtained from the Board of Health for the sale of any food (including vending machines), Retail Food Establishments, Body Art, Beauty Parlors and Nail Salons.
3. The Ramsey Bureau of Fire Prevention requires you to register in accordance with the N.J. State Fire Safety Code. The fee is determined by size of tenant space and covers registration and inspection. The Fire Prevention Official, Darryl DeMott, can be contacted at Ext. 256.
