

Ramsey's Free Rabies Clinic

FREE RABIES VACCINES DRIVE UP EVENT for cats and dogs

Saturday January 15th, 2022
1 - 3 PM

@ Ramsey Municipal Pool Parking Lot
located at 75 East Oak Street in Ramsey, NJ

- ✓ **All dogs must be on a leash**
- ✓ **All cats must be in a carrier**

Due to COVID-19, this year's clinic will be a socially distant drive-up event. We will be taking all proper precautions and following all guidelines. For your safety and the safety of others, face masks must be worn by all individuals. Please do not forget to bring your dog's leash and/or your cat's carrier. Your pet will still exit the vehicle to be vaccinated. We appreciate your patience as we navigate this new process. Please contact the Ramsey Health Department if you have any additional questions.

** All pet licenses expire on December 31, 2021. In order to renew your pet's license, the rabies vaccination must be valid through November of 2022. This year's pet license registration will not be done at the clinic. Renewal forms have been mailed out to the residents. New pet owners can obtain the form [here](#). Please visit the borough website for more information.
