- Place only LOOSE LEAVES at the curb or edge of sidewalk, No Bags.
- Have leaves out as close as possible to the first day of the week that your area is scheduled for pickup to minimize leaves blowing through your neighborhood.
- Facing your house from the street, Start your leaf pile in front of your property AS FAR TO THE RIGHT AS REASONABLY POSSIBLE and work to the left without blocking your driveway. By doing this, in the event of an early snow, your leaves will not be plowed into your neighbor's property. (If you live on one of the few one-way streets in town, please consider the direction of the plow so that your leaves are not plowed onto your neighbor's property).

FIRE SAFETY TIPS

1. KEEP LEAF PILES WET DURING DRY WEATHER.
2. KEEP LEAF PILES AWAY FROM BUILDINGS AND CARS.
3. KEEP A GARDEN HOSE READY IN CASE OF FIRE.

Judy Cusick
Chairwoman, Utilities, Buildings &
Grounds Committee Borough Council

Jim Trouf
Shade Tree Coordinator

Tom Lanning
